D. Export/Reexport/Reimport of Circuses and Traveling Animal Exhibitions (and Reissuance) (CITES/ESA)

Note: **This form is only for the purpose of temporary travel.** If you are intending for your animal(s) to be in another country long term, please use form [3-200-24](#). There are two scenarios under which circus and traveling exhibition animals could fall.

Scenario 1. Traveling-exhibition certificates, Res. Conf. 12.3. This applies only to an animal that qualifies as **pre-Convention** or **bred in captivity** as defined in Resolution Conf. 10.16. A certificate may be issued up to 3 years for a single animal. Follow instructions in **Part I** and complete one application per animal. If the animal(s) do not qualify for the traveling-exhibition certificate, follow instructions in Part II. Processing fee: \$75 for a CITES species, \$100 for a species listed on both CITES and ESA.

Scenario 2. Animals that do not qualify under the above scenario are covered in Part II. Permits issued under this scenario may contain more than one animal. You may either apply for a single use permit or a [master file](#), which is valid for 3 years.

Processing fees: [Master file](#) (valid for 3 years, multiple animals) = \$200; single use documents issued from master file = \$5; **renewal fee = \$100.**
Pre-Convention = \$75 (single animal)
Single-use = \$100 (single animal or multiple animals)

Complete Either Part I or Part II as appropriate, AND Part III and IV.

Please provide the following information. Mark questions that are not applicable with "N/A." If needed, use a separate sheet of paper (Only 8½ by 11 or A4 paper will be accepted. Videos will not be accepted).

Part I. Traveling Exhibition Certificate

1. Provide the following for this animal (a separate permit application is needed for each animal [\[Conf. 12.3\]](#)).

Scientific name (genus, species, & if applicable, subspecies)	Common name	Sex	Date of Birth	Source (Wild or Born in captivity)	Current location	Description (e.g., tattoo, microchip number/ manufacturer, location of chip, ISIS or studbook #, house name, any identifying features) You must ensure that border officials are able to verify that the permit and the animal correspond.

2. If this animal is **pre-Convention**, provide documents, signed statements or other evidence that the wildlife was born or removed from the wild prior to the date [CITES](#) applied to it (e.g., bill of sale, ISIS record, breeder's record). The listing date can be found in the booklet "[Appendices I, II, and III to CITES](#)," available from DMA or from [www.cites.org](#).

Part II. Animals that do not qualify for a Traveling-exhibition Certificate

1. Indicate whether a permit is needed for
One time, 6-month permit (\$100 processing fee); Indicate country [and location\(s\) of exhibition](#):

OR
Multiple use, valid for 3 years (\$200 processing fee + \$5 for each 6-month permit)

2. Provide the following for each animal.

Scientific name (Genus, species, & if applicable, subspecies)	Common name	Sex	Date of Birth	Source (Wild or Born in captivity)	Current location	Description (e.g., tattoo, microchip number/ manufacturer, location of chip, ISIS or studbook #, house name, any identifying features) You must ensure that border officials are able to verify that the permit and the animal correspond.

Part III. For EACH animal, provide the following. If application covers more than one animal (i.e., you completed part II, be sure to answer question 1 and 2 for each animal being addressed in the application.

1. Was this animal **born in captivity**? ___No. ___Yes.

If **Yes**, provide the following:

- a. Are you the **breeder**? If so, please provide a statement that the animal was **bred and born** at your facility. This statement must include:
 - i. Birth/hatch date, and if applicable band/tag number, and sex of each specimen;
 - ii. Name and address of your facility where the animal was bred and born;
 - iii. Location of parental stock; and
 - iv. Your signature and date.
- b. If you are **NOT the breeder** of the specimen, provide a signed statement from the breeder or breeder's record that includes:
 - i. that the animal was **bred and born** at his/her facility;
 - ii. Birth/hatch date, and if applicable band/tag number, and sex of each specimen he/she bred;
 - iii. Location of parental stock;
 - iv. Complete name and address of the breeder's facility; and
 - v. Copies of documentation showing that you acquired the animal from the breeder or documentation demonstrating the history of transactions (chain of ownership of each animal).
- c. If **No**, provide:
 - i. specific location of where, when, and by whom (name and address) the specimen was removed from the wild;
 - ii. purpose of removal and length or approximate length of time held in captivity;
 - iii. copy of any permits or other documents from the State or local wildlife authorities approving the activities;
 - iv. documentation showing that the specimens were legally acquired by the applicant; and
 - v. copies of any applicable State permits or licenses that are required to house, maintain, and breed these specimens (contact your State for information).

2. If this animal is protected by the U.S. Endangered Species Act:

Is the animal **pre-Act** wildlife? ___No. ___Yes.

- a. If **yes**, provide evidence that the animal was obtained prior to the date the Endangered Species Act applied to it [50 CFR 17.4]; and a signed statement that the wildlife has not entered into commerce (e.g., been bought, sold, or offered for sale) since that date. The listing date may be found at <http://endangered.fws.gov/wildlife.html> or from the Division of Management Authority.
- b. If **no**, provide educational material (e.g., brochures, photographs of signage, script used to verbally inform the public). The material must discuss the ecological role and conservation needs for this species. When exhibiting in countries where English is not the primary language, explain how the conservation education information will be presented to the non-English speaking audience. We need to have sufficient information within our files to support any decisions we make regarding your application.

- i. Provide a copy of the actual script or material that will be presented to the audience. This material must be original in nature (e.g., photocopies from a reference book is not appropriate) and must be the actual material that will be presented at each performance.
- ii. In what media will the message be presented? Will it be an oral presentation or will fact sheets, brochures, or posters be used? If it is written material, will it be available free-of-charge?
- iii. When will the material be presented? If the material will be presented orally, when will this presentation be given? Will the presentation of the message be diminished by the activities occurring at the same time as the announcement? Will the message being presented be overshadowed by the activities being conducted by the performing animals? If the material will be presented in a written form, will an oral announcement be made regarding the availability of this material? If the material is in a poster form, will the posters be placed so that a majority of the audience will have sufficient time to read the material?

Part IV. If you are submitting more than one application at this time, you may submit this only once, as appropriate.

1. Facilities.
 - a. Provide address of the permanent facility where the animal(s) is/are maintained.
 Name of Facility: _____
 Address _____
 City, State, Postal Code _____
 - b. A detailed description, including size, construction materials, protection from the elements, and photographs or detailed diagrams clearly depicting the **permanent** facilities;
 - c. Provide the same as above for transportation units used while traveling within the United States and abroad. The transport conditions must comply with [50 CFR Part 13](#), the [CITES](#) Guidelines for Transport of Live Animals, as well as the Animal Welfare Act and, in the case of air transport, with the [International Air Transport Association \(IATA\)](#) (www.iata.org/cargo/live.htm) live animal regulations. Your description must include:
 - i. The type, size, and construction of any shipping container; and,
 - ii. The arrangements for watering or otherwise caring for the wildlife during transport.
 - d. Description of the qualifications of the individuals to train and care for the animal, including the number of years experience with this species or similar species, and names of current caretakers.
2. List mortalities of ESA listed species which occurred at your facility during the past five years, and explain the cause of the mortalities and measures taken to prevent future mortalities if appropriate.
3. Provide copies of any applicable permits, licenses and registrations (State Fish and Game, U.S. Department of Agriculture Animal Welfare Act (AWA), Center for Disease Control and Prevention).
4. If you are applying on behalf of the applicant, provide documentation to show Power of Attorney.
5. Enter the [U.S. port](#) through which the export will occur. Port: _____. If no port is indicated, you must use a port designated for the export of wildlife (see enclosed list).
6. If re-export provide:
 - a. A copy of canceled CITES export or re-export document issued by the appropriate CITES office in the country from which the wildlife was imported;
 - b. Cleared Form 3-177, wildlife Declaration for Import (hard copy or electronic release); and
7. Address where you wish [permit](#) mailed (if different than page 1): _____.
8. If you wish the permit to be mailed other than by regular mail, provide air bill, pre-paid envelope, or billing information _____.
9. Who should we contact if we have questions about the application? (Include name, phone number, and email): _____.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard permit form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplification, all licenses, permits, registrations, and certificates will be referred to as a permit.

- Complete all appropriate blocks/lines/questions in Sections A OR B, and C and D. **Print clearly or type in the information.** An incomplete application may cause delays in processing or may be returned to the applicant. Note: if a field is "grayed in", no answer is required.
- Sign the application in blue ink and send the original to the address at the top of the application. Faxes or copies of the original signature will not be accepted.
- Please plan ahead. Allow at least 60 days for your application to be processed (50 CFR 13.11). However, some applications may take longer than 90 days to process. Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov/>.

Most of the application form is self-explanatory, but the following provides some assistance for completing the form.

COMPLETE EITHER SECTION A OR SECTION B:

- Section A. **"Complete if applying as an individual"** - Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. **If you are applying on behalf of a client, the personal information must pertain to the client; and a document evidencing power of attorney must be included with the application.**
- Section B. **"Complete if applying as a business, corporation, public agency, or institution"** - Enter the complete name and address of the business, agency or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in, the name and phone number of the person in charge (i.e., principal officer), and if the company is incorporated, the State in which it is incorporated.

ALL APPLICANTS COMPLETE SECTION C:

- Section C.1 **"Do you currently have or have you had any Federal Fish and Wildlife permits?"** List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for a renewal of a CITES permit, the original permit must be returned with this application.
- Section C.2 **"Have you obtained all required State, Federal or foreign government approval to conduct the activity you propose?"** (Please be aware that there may be other requirements necessary to conduct this activity such as a hunting license, import permit, or collection permit.) If "yes," list the state, Federal or foreign countries involved and type of document required. Include a copy of these documents with the application. If you have applied for the documents, check the "have applied" box and list the state, Federal or foreign countries involved and type of documents required. If the proposed activity is not regulated check "not required."
- Section C.3 **"Check or money order (if applicable)"** There is an application processing fee unless you are applying as a Federal, State or tribal government agency or you are an individual or institution under contract to such agency for the proposed activities. (See 50 CFR 13.11(d)(3) for fee schedule.) Proof of status as a Federal, State or tribal government agency or contractor to such agency should accompany your application. The application processing fee is assessed to partially cover the cost of processing a request. The fee does not guarantee the issuance of a permit. It will not be refunded regardless of whether a permit is issued, abandoned, or denied. See the accompanying section APPLICATION PROCESSING FEE for the fee to process this application. Make your check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form.
- Section C.4 **"CERTIFICATION"** The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink. This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

ALL APPLICANTS COMPLETE SECTION D:

Provide any required additional information outlined in Section D. of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. Please do not send videotapes or DVDs.

 - i. General Permit Procedures, [Title 50 CFR Part 13](#); and
 - j. Wildlife (Import/export/transport), [Title 50 CFR Part 14](#).
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Routine use disclosures outside the Department of the Interior may be made without the consent of an individual if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003) Disclosures outside the DOI may be made under the routine uses listed below without the consent of the individual if the disclosure is compatible with the purposes for which the record was collected.
 - a. To subject matter experts, and State, Federal, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. To the public as a result of publishing Federal Register notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. To Federal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. To Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. To Federal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a sick, injured, or orphaned bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. To the Department of Justice (DOJ), or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances;
 - g. To the appropriate Federal, State, tribal, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. To a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. To the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
 - j. To provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor, or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for this information collection varies depending on the activity for which a permit is requested. The relevant burden for this permit application is 60 minutes. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

Application Processing Fee

The fee to process this application is \$200 for a master file and \$5 for each permit issued from that file; OR for a single permit, \$100 processing fee for a single permit, \$75 for pre-Convention, non-ESA animals. Checks should be made payable to "U.S. Fish and Wildlife Service." Fees for renewals and amendments may vary; see fee schedule at 50 CFR 13.11(d)(4)]. The processing fee will not be refunded regardless of whether a permit is issued, abandoned, or denied. The fee schedule does not apply to
